RE: 98—00355 The Closed Burch - M.M. Procedure Outpatient, for Treatment of Genuine Stress Urinary Incontinence with No Laparotomy or Laparoscopy by Newly Invented Bladder Saver Device

Dear Doctor Samimi:

Approximately 200 abstracts were submitted to the Committee on Scientific Program for consideration for presentation at the 1998 Annual Clinical Meeting (ACM) in New Orleans, Louisiana. It is a pleasure to inform you that the above referenced abstract was one of those selected for a poster presentation.

Your Poster is to be available for viewing from 1:00 pm to 4:00 pm on Tuesday, May 12, 1998, on Board #033 (the board size is 4 ft. x 8 ft), which will be shown in the Exhibit Hall of the Ernest M. Morial Convention Center. The area will be available for you to set up your poster anytime between 10:00 a.m. and 1:00 pm on the day your poster is to be viewed. A copy of your abstract should be displayed on the poster board. Please complete the enclosed Title Sheet and return it to me by February 2, 1998.

The original camera-ready copy of your abstract will be published in the Abstract Book. The Abstract Book will be included in each registration packet issued at the ACM.

In January, you will receive the 46th Annual Clinical Meeting Preliminary Program which will include a meeting registration form and a hotel registration form. **You are required to complete a registration form even though, as a presenter, your registration fee is waived.** Please indicate your status as a presenter in Step 2 on the registration form. If you elect to attend any postgraduate courses; clinical seminars, luncheon conferences, or the President's Dinner Dance, please indicate your choice⁵ on the registration form and enclose the appropriate fee(s) by April 10, 1998. Requests for hotel accommodations must be accompanied with an advance registration form. The New Orleans Hilton is the headquarter hotel for the meeting.

If you have any questions, or if we can be of any assistance, please do not hesitate to give me a call at (202) 863-2565. Thank you.
